

Please do not allow K-LOVE to be displaced by an LPFM. K-Love serves our family in so many ways, mainly in encouraging us with the positive music they play. Our family truly believes that without the uplifting music we get to listen to every day on K-Love, our joy would be "robbed". Many people in our community listen to K-Love and we share in the same thinking that we can let our children listen and not worry about any inappropriate lyrics. Please do not let K-Love be displaced by a LPFM. Thank you. Joe, Karen, Amanda & Kayla Castillo
